NOTES:

1. SVR reserves the right to refuse any order if the requested engraving is determined to be offensive, disrespectful, or contrary to the nature of project.
2. Payment is due, in full, at the time the order is placed. Credit card and check orders will be processed immediately and funds will be held in an escrow account. Should the Honor Wall project be cancelled, your purchase cost will be refunded in full.

5. We will attempt to place your brick at the location requested. The exact placement of individual bricks cannot be guaranteed. Minor changes in the design of the Honor Wall, or construction requirements, may require relocation of bricks.
